

80% of finding a job is through networking

# ***EMPLOYERS MARKET***

- ***Hiring companies are very active right now.***

***Hidden job Market***

# **Know your Resources**

- **Workforce Solutions**
- **Networking mixers**
- **Business Cards / mini resumes & pen**
- **Industry gatherings**
  - **Such as Trade Shows or Conferences**
- **Domino Effect**
  - **Family, friends, and neighbors -- and with their family, friends, and neighbors**

# Networking through Technology

**Log on or register as a job seeker**

- **600 influential followers on Twitter.** If I Tweet out your job request and your LinkedIn url, maybe someone in my network might be interested in hiring you.

- Now what if 20 people in a networking or mixer does the same for you?

- Remember, 80% of jobs found are from people who have referred you.

***The next person you meet might  
give you  
an advantage to your next job!***
